1	<b>(Section) Previous Circular Provision</b>	<b>(Section) Proposed Guidance Provision</b>	<b>Proposed Policy Changes and Updates</b>
	<b>Uniform Administrative Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals, and Other Nonprofit Organizations- A-110</b>	<b>Proposed Guidance</b>	<b>Unless otherwise noted in A-110 crosswalk, language adopted is from A-110</b>
2	<b>Sec.</b>	Subchapter A – General Provisions	Explains general provisions for uniform standards, requirements, applicability, exceptions, authorities, responsibilities, and related information for all Federal grants and cooperative agreements.
3	___1 Purpose.	___100 Purpose	Denotes uniform nature of standards and requirements for all Federal grants and cooperative agreements irrespective of entity type; removes explicit reference to institutions of higher education, hospitals, and other non-profit organizations.
4	___2 Definitions.	Appendix I. Definitions	Combines definitions from administrative requirements and cost principles circulars into a single list in Appendix I.
5	___3 Effect on other issuances.	___106 Effect on Other Issuances	No change
6	___4 Deviations.	___102 Exceptions ___103 Conditional Exemptions ___108 OMB Responsibilities ___109 Information Contact ___110 Review Date ___111 Effective Date	Expands some authority to allow for blending of funds. Mentions OMB review every five years. Plans for effective date across government
7	___5 Subawards.	___101 Applicability	Adds explicit reference to ISDEAA for tribal entities.
8	<b>SUBPART B - PRE-AWARD REQUIREMENTS</b>	Subchapter B - Pre-Award Requirements.	Merges remaining sections from A-110 and A-102. Distinguishes merit-based selection criteria from eligibility criteria for applicants for Federal awards. Requires agency publication of certain information in announcements of funding opportunities and notices of awards. Requires agencies to publish terms and conditions of grants and to be responsible for informing recipients of national policy requirements as applicable, including those required by FFATA and implementing regulation.
9	___10 Purpose.	___201 Purpose.	No change
10	___11 Pre-award policies.	___202 Use of Awards and Cooperative Agreements, and Contracts ___203 Requirement to Provide Public Notice of Federal Financial Assistance Programs ___204 Announcements of Funding Opportunities ___205 Agency Review of Merit of Proposals and Risk Posed by Applicants ___209 Pre-Award Costs Appendix II. Full Text of Notice of Funding Opportunity.	Includes Notification of Criteria for Transparent Selection and Review process (based on current policy issued at 68 FR 37370, referenced in M-03-16). Includes requirement to provide public notice of available Federal financial assistance in the Catalog of Federal Financial Assistance (CFFA), formerly known as the Catalog of Federal Domestic Assistance (CFDA). Standardizes information announced for funding opportunity, requires agencies to leave notices open for at least 30 days. Requires review based on merit and review of financial risk. For guidance on costs incurred by recipients prior to the award, see section ___621 Selected Items of Cost C-38 Pre-award (or Pre-agreement) Costs.
11	___12 Forms for applying for Federal assistance.	___206 Standard Application Requirements	Requires agencies not to add additional application requirements beyond OMB approved data elements (through Paperwork Reduction Act, PRA, process). Proposed Circular guidance will not list specific forms for applications, reporting, and requests; entities should continue to make use of standard approved collections (forms) wherever possible to encourage broader goals of data standardization across government. Notes future desire for data standardization, refers to OMB-approved data collections instead of specific forms by name.
12	___13 Debarment and suspension.	___204 Announcements of Funding Opportunities	Language is updated to include guidance from OMB Memorandum M-04-01 of October 15, 2003.
13	___14 Special award conditions.	___401 General Terms and Conditions ___402 Administrative and National Policy Requirements ___403 Agency, Program, or Federal Award-Specific Terms and Conditions ___404 Award Performance Goals	Makes explicit that agencies must include (at least by reference) all relevant T&C in award notice. Makes explicit that agencies and recipients must comply with relevant legislation, agencies must make sure to inform recipients of relevant provisions in statute. Requires agencies to inform recipients of objectives of the award.
14	___15 Metric system of measurement.	Not included	Not included - agencies should inform recipients of appropriate national policy requirements.
15	___16 Resource Conservation and Recovery Act.	Not included	Not included - agencies should inform recipients of appropriate national policy requirements.
16	___17 Certifications and representations.	___208 Certifications and Representations.	Authorizes federal agencies to require recipients to submit certifications and representations required.
17	<b>SUBPART C - POST-AWARD REQUIREMENTS</b>	Subchapter E- Post Federal Award Requirements.	No change

## Crosswalk from Existing Guidance to Proposed Guidance

*This crosswalk highlights proposed policy changes, clarifications, and updates to policy provisions.*

	A	B	C
1	(Section) Previous Circular Provision	(Section) Proposed Guidance Provision	
19		___501 Subrecipient Monitoring and Management	Moves determination criteria and pass-through responsibilities from audit to administrative requirements from A-133 ___210 (b), (c) and ___400 (d). Adds subrecipient monitoring tools currently in the Compliance Supplement. Requires pass-through entities to either honor the indirect cost rates negotiated at the Federal level, negotiate a rate in accordance with Federal guidelines, or provide the minimum flat rate. Incorporates and combines subrecipient monitoring guidance; includes requirement that pass-through entities must pass on either a negotiated or minimum 10% of MTDC indirect cost rate to subrecipients.
20	Financial and Program Management	___502 Standards for Financial and Program Management.	Section .502 Standards for Financial and Program Management is primarily adapted from both A-110 section .20 Standards for Financial Management Systems and A-102 section .20 Standards for Financial Management Systems. Refers to government-wide OMB approved information collections and data elements instead of specific forms. Closes loopholes that allow Federal agencies to use additional forms for application and reporting requirements beyond the standard forms designated by OMB unless they have specific OMB approval to do so (and this approval will be limited). Requires reporting of performance information particularly monitoring and measurement information as outlined in OMB Circular A-11. Clarifies meaning of project costs in ___502 (e) Payment. Section .24 Matching or cost sharing, (b)(2) General Revenue sharing is added from A-102 language, as is (7)(ii) on third party in-kind contributions. Notes that voluntary committed cost sharing is prohibited for Federal research proposals except where otherwise required by statute. Updated amounts for interest-bearing accounts in 502 (e)(3)(K)(ii) and (e)(3)(L) from \$250 to \$500 as the amount the best interest-bearing account might be expected to earn and the amount of interest that could be retained by the recipient for administrative expenses. A-110 section .24 on program income is replaced by A-102 section .25 on program income. A-110 section .27 on allowable costs is replaced by A-102 section .22 on allowable costs. A-110 section .29 on conditional exemptions is moved to Subchapter A-General Provisions. Contains requirements from A-133 section .300 Auditee responsibilities.
21	Property Standards	___503 Property Standards.	A-110 section .32 on real property is replaced by A-102 section .31 on real property. A-110 section .34 on equipment is replaced by A-102 section .32 on equipment though part (f) Federal equipment is struck. Defines intangible property in .503 (f)
22	Procurement Standards	___504 Procurement Standards.	Raises the threshold for small purchase procedures to \$150,000 to be consistent with the simplified acquisition threshold in the Federal Acquisition Regulation (FAR). All A-110 language on procurement is replaced by A-102 section .36 Procurement, with the exception of A-102 section .36 (3) on Codes of Conduct, which is replaced by A-110 section .42 Codes of Conduct.
23	Reports and Records	___505 Performance and Financial Monitoring and Reporting. ___506 Record Retention and Access.	Adds language proposed by the grants community to elaborate requirements on reports and records, remedies and termination, and after the award requirements. Requires electronic submission of post-award reports, unless requested otherwise by recipient. All language under A-110 section .50 through section .51 are replaced by A-102 section .40, Monitoring and reporting program performance. A-110 section .52 Financial reporting is adapted from A-102 section .41 Financial reporting. A-110 section .53 Retention and access requirements for records is replaced by A-102 section .42 Retention and access requirements for records Allows for electronic records pertinent to a Federal award ___506 (b) Updates reporting requirements for Real Property ___506 (e)
24	Termination and Enforcement	___507 Termination and Enforcement.	Clarifies agencies' right to terminate awards for convenience without recipient consent ___507 (a)(1)(A) Notification requirement is new requirement for agencies ___507 (b)

51	C. Basic considerations	Subtitle II. Basic Considerations. __.604 Composition of Costs __.605 Factors Affecting Allowability of Costs __.606 Reasonable Costs __.607 Allocable Costs __.608 Applicable Credits __.609 Documentation __.610 Advance Understanding __.611 Limitation on Allowance of Costs __.612 Special Considerations __.613 Collection of Unallowable Costs __.614 Adjustment of Previously Negotiated Indirect Cost Rates Containing Unallowable Costs	Eliminates the Cost Accounting Standards Board's (CASB) Cost Accounting Standards and CASB's Disclosure Statement requirements (Attachment A and B in A-21) for institutions of higher education. Language removed from proposed guidance. Guidance on elimination of CASB requirements applies only to grants and cooperative agreements.
52	D. Direct costs	Subtitle III Direct and Indirect (F&A) costs __.615 Direct Costs __.616 Indirect (F&A) costs __.617 Required Certifications	Reiterates the principle that all work that is directly allocable to one award may be charged to that award, regardless of the type of task. Allows directly allocable administrative and clerical support to be charged as a direct cost. Clarifies circumstances under which exceptions to the negotiated rate are allowable. Allows for a minimum flat rate of 10% of modified total direct costs for entities without the capacity for a full negotiation and/or entities that have never had a negotiated indirect cost rate. Allows all types of entities the option of extending negotiated rates for up to 4 years subject to approval of the indirect cost cognizant agency.
53	E. F&A costs	Subtitle IV Special Considerations for State, Local and Indian Tribal Governments __.618 Cost Allocation Plans and Indirect Cost Proposals __.619 Interagency Service Subtitle V Special Considerations for Institutions of Higher Education __.620 Costs incurred by State and Local Governments	Merges and clarifies language primarily from A-87 and A-122.
54	F. Identification and assignment of F&A costs	Appendix IV. Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Educational Institutions	Current Utility Cost Adjustment (1.3%) for select institutions of higher education is replaced by two alternatives: i) where space is devoted to a single function and metering at either the building or sub-building level allows unambiguous measurement of usage either, costs shall be assigned to that function, or ii) utility costs may be apportioned in the same manner as depreciation, based on calculated "effective square footage." Language on agency deviations from negotiated rates added to section .616 on indirect costs. Eliminates requirements to conduct studies of cost reasonableness for large research facilities; language is not included in proposed guidance.
55	G. Determination and application of F&A cost rate or rates	Appendix IV. Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Educational Institutions	Merges and clarifies language primarily from A-87.
56	H. Simplified method for small institutions	Appendix IV. Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Educational Institutions	Merges and clarifies language primarily from A-87.

93	Subpart B--Audits	Subtitle II—Audits.	The threshold is raised from \$500,000 to \$750,000. Changes to compliance supplement would reduce the number of compliance requirements from fourteen to six to target waste, fraud, and abuse.
94	___.200 Audit requirements.	___.701 Audit requirements.	The threshold for a single audit is raised from \$500,000 to \$750,000. "Vendor" is changed to "Contractor"
95	___.205 Basis for determining Federal awards expended.	___.702 Basis for Determining Federal Awards Expended.	Removes food stamps from list of non-cash as replaced by SNAP
96	___.210 Subrecipient and vendor determinations.	___.502 on Subrecipient monitoring with minor parts incorporated into .701	No change
97	___.215 Relation to other audit requirements.	___.703 Relation to Other Audit Requirements.	Clarifies that while this does not interfere with ability of IG/agency to conduct other audits these should be coordinated with and build on the single audit.
98	___.220 Frequency of audits.	___.704 Frequency of Audits.	No change
99	___.225 Sanctions.	___.705 Sanctions.	No change
100	___.230 Audit costs.	___.706 Audit Costs.	Moved to Subchapter F Cost Principles .621, C-5 Audit Services
101	___.235 Program-specific audits.	___.707 Program-specific Audits.	Addition to instruct auditor and auditees not to include PII in report package. .707 (b) updated to reflect electronic report submission. Section .707 (b) updated to reflect the fact that agreed upon procedures standards are not only in attestation standards and the more generic reference to GAGAs is preferable. Removes extensions from program-specific audit section. Removes requirement for subrecipients to submit to pass-through entities.
102	Subpart C--Auditees	Subtitle III—Auditees.	No change
103	___.300 Auditee responsibilities.	___.708 Auditee Responsibilities.	Removes authority for Federal agencies to grant extensions to due date consistent with need for timely audits. Moved some auditee responsibility language to .502 Standards for Financial and Program Management.
104	___.305 Auditor selection.	___.709 Auditor Selection.	Non-Federal entity request and consider auditor's peer review report.
105	___.310 Financial statements.	___.710 Financial Statements.	Section .710(b) removed "to the extent practicable" as this should now be feasible for all. Proposes consistent reporting of non-cash in SEFA, schedule of expenditures of federal awards. Moves definition of cluster of programs from Definitions to SEFA
106	___.315 Audit findings follow-up.	___.711 Audit Findings Follow-up.	Removes language outlining reasons for auditee to find an audit finding as not warranting further action Require the corrective action plan and summary schedule of prior audit findings to include financial statement findings. ## Crosswalk from Existing Guidance to Proposed Guidance

*This crosswalk highlights proposed policy changes, clarifications, and updates to policy provisions.*

	A	B	C
1	(Section) Previous Circular Provision	(Section) Proposed Guidance Provision	
109	__400 Responsibilities.	__713 Responsibilities.	.713 (d) has been incorporated into .502 on subrecipient monitoring, removed Feds granting extensions to due dates consistent with need for timely audits. Changes to improve Federal agency use and oversight of single audit, including addition of an accountable official, use of single audit metrics, and cooperative audit resolution. .713 (a) (2) Provides guidance to agencies on the nature of quality control reviews to obtain or to conduct .713 (a) (4) Adds new provision for agencies to advise independent auditors of important factual trends and patterns regarding the quality of audits Adds language currently in Appendix VII of the compliance Supplement as a safe harbor to clarify what is a large loan and provide for consistency in practice. Adds provision for the cognizant Federal agency to submit management decisions to the FAC when cross-cutting direct award finding. Adds requirement of accountable official and key single audit coordinator for Federal agencies. Adds requirement for FAC to make MDL and audit reports public.
110	__405 Management decision.	__714 Management Decision.	Strengthened language to clarify that clock starts when FAC accepts the report, auditees should initiate corrective action immediately. Management decision may, but not required to be issued on financial statement findings. Permit Federal awarding agencies and pass-through entities to rely on cognizant agency oversight and/or management decisions. Provide option for Federal agency or pass-through entity to issue management decision on finding related to financial statements.
111	Subpart E--Auditors	Subtitle V--Auditors.	No change
112	__500 Scope of audit.	__715 Scope of Audit.	.715(d)(2) added that supplement needs to focus on improper payments and program outcomes rather than compliance minutia. For program not covered by Supplement, referenced audit to the Supplement which now includes Part 6 for this purpose rather than listing detail in the guidance.
113	__505 Audit reporting.	__716 Audit Reporting.	Updated to comply with changes in auditing standards.
114	__510 Audit findings.	__717 Audit Findings.	.717 (c ) added language to support current FAC effort to require standard audit finding number to facilitate follow-up and tracking of findings. Section.717(a) material weakness and significant deficiency are now separate definitions. Raised the threshold for questioned costs to \$25,000. Added cause, effect, and whether repeat and if so audit finding number link. Made views of responsible official always required. Updated to add "likely" consistent with GAGAS changes. Removed the requirement to report audit findings at the audit objective level.
115	__515 Audit working papers.	__718 Audit Documentation.	.718 (a) sets standards for auditors to provide sufficient audit documentation.
116	__520 Major program determination.	__719 Major Program Determination	Modifies to create threshold for single audit at \$750,000. .719 (b) modified consistent with \$750,000 change to reduce the number of type A programs. .719 (d)(2) also changed consistent with threshold increase. Made changes consistent with audit threshold increase. See preamble for full explanation of proposed changes.
117	__525 Criteria for Federal program risk.	__720 Criteria for Federal Program Risk.	No change
118	__530 Criteria for a low-risk auditee.	__721 Criteria for a Low-Risk Auditee.	.721(a) clarification listed timely audit reporting as criteria for low risk auditee. Now in practice in compliance supplement, but since it is so important, need to emphasize here. Added going concern as criteria to be low risk auditee as this is a critical test and indicator of risk. Removes provision to allow entity with biennial audit to be low-risk with cog/oversight approval. Removes provision to allow entity with "unclean" audit to be low-risk with cog/oversight approval. Removes provision to allow entity with material weaknesses to be low-risk with cog/oversight approval. Adds that auditor reporting going concern would preclude being low-risk auditee. Clarifies audit finding consideration was at the major program level as reported in auditor's report.
